A BIG THANK YOU.....

Our ranch manager, Roman, did a great job getting the ranch in perfect condition for the season! He has worked very hard in extreme temperatures to make sure everything stays in picture perfect shape.

We would like to welcome our new guides, Jesse, Nathan and Derrick, who did a great job on their first weekend! We welcome back Duke, who has been a guide with us since 2007, and Tino, who has not only

been a tremendous asset to us during the off season, but is also returning as guide for his second year.

We would also like to welcome back our cook, Dave, who will make sure that you are NEVER hungry!

***HATS OFF TO OUR RANCH MANGER, GUIDES

**ANTICIPATION FOR OPENING WEEKEND IN
NOVEMBER KILLING YOU ??**

***OUR HUNTING SEASON BEGAN OCTOBER 1st, 2011!
(and we get to hunt through FEBRUARY 29th, 2012!)***

Since Dead Man's Pass Ranch is under the authority of a Level 3 Managed Land Deer Permit, we get to enjoy an extended season. The MLDP allows us to have the state's most flexible seasons and tag limits. A hunting license is required but use of your hunting license tag (s) are not required on deer harvested under the authority of the permit; therefore, county and statewide bag limits do not apply to individual hunters.

So why wait for opening weekend in November? Keep us in mind for October 2012! It's not too late to book your hunt! We still have weekends available... Call or e-mail us today!

HAPPY HUNTERS!

It all started with 6 guys from the Houston Area. They trekked it to the ranch early Thursday morning so they could get a jump start on hunting that evening. You can tell by their big smiles that they all had a great time. They harvested 8 bucks and 2 does! (and probably gained a few pounds from Dave's good homecooked meals!)
