It's not too late to book your hunt!

Our season runs through February 28, 2013!

Dead Man's Pass Ranch is under a Level 3 Managed Lands Deer Permit! A hunting license tag is not required on deer harvested under the authority of this permit, therefore, county and statewide bag limits do not apply to individual hunters.

HOT COCOA MIX

A cup of hot cocoa around the campfire (or fireplace) is a great way to end the day.

This mix is made ahead of time and is dry. Just take the amount you need and mix it up with hot water as needed.

THIS ALSO MAKES A GREAT GIFT!

INGREDIENTS:

3 Cups Carnation Powdered Milk
2 Cups Sugar
1/2 Cup Cocoa (baking chocolate powder)
1/8 tspn Salt

DIRECTIONS:

Mix together dry ingredients.
Store in an airtight container or Ziploc baggies

This makes around 34 cups of hot chocolate.

TO MAKE THE HOT COCOA:

Bring one cup of water to a boil. Stir in 3 tablespoons of the mix. Add mini marshmallows if desired.

ENJOY!

Let it snow, let it snow, let it snow!!
