NEWSLETTER

MAY, 2013

Dear Sportsman,

We're back on track with our monthly newsletter! It's been so busy at the ranch. When our whitetail season came to an end in February, our quail, turkey and Aoudad hunts began! Plus, improvements are happening all around the ranch!

Last month we introduced you to our new Ranch Manager, Randy, who graduated from Texas A&M in 2012 (*not 2013* as previously stated). Randy is doing a great job at the ranch!

Would you like to get away from the city? Whether it's a family get-away or a weekend with the guys, Dead Man's Pass Ranch is a great place to go to get away. Weekend get-aways at the ranch are perfect for spending quality time with family and friends. We offer extremely comfortable quarters with the option to include all meals, snacks and non-alcoholic beverages. We are a family oriented ranch and can accommodate groups of up to 12 adults.

What is there to do at the ranch? Glad you asked! Our recreations and entertainment facilities include darts, washers, horseshoes, 1/2 court and electronic basketball, ping pong, ladder toss, billiards, board games, poker and swimming. We also have satellite TV and wireless internet.

Do you like picnics? We hope so! You can enjoy a leisurely picnic from our newly added chuck wagon while sitting atop one of our lookout points. The view that overlooks the entire ranch is spectacular! This is a real hit with our guests and the kids love it!

What else is there to do? Read below about the Pecos River High Bridge, Lake Amistad and The Devil's River that are all within minutes of the ranch. There are many historical sites to visit in the area!

Let us help you plan a very memorable weekend with your friends and loved ones. We promise you will not only have a great time but you will also see the most beautiful sunsets and the brightest stars in Texas!

Sincerely,

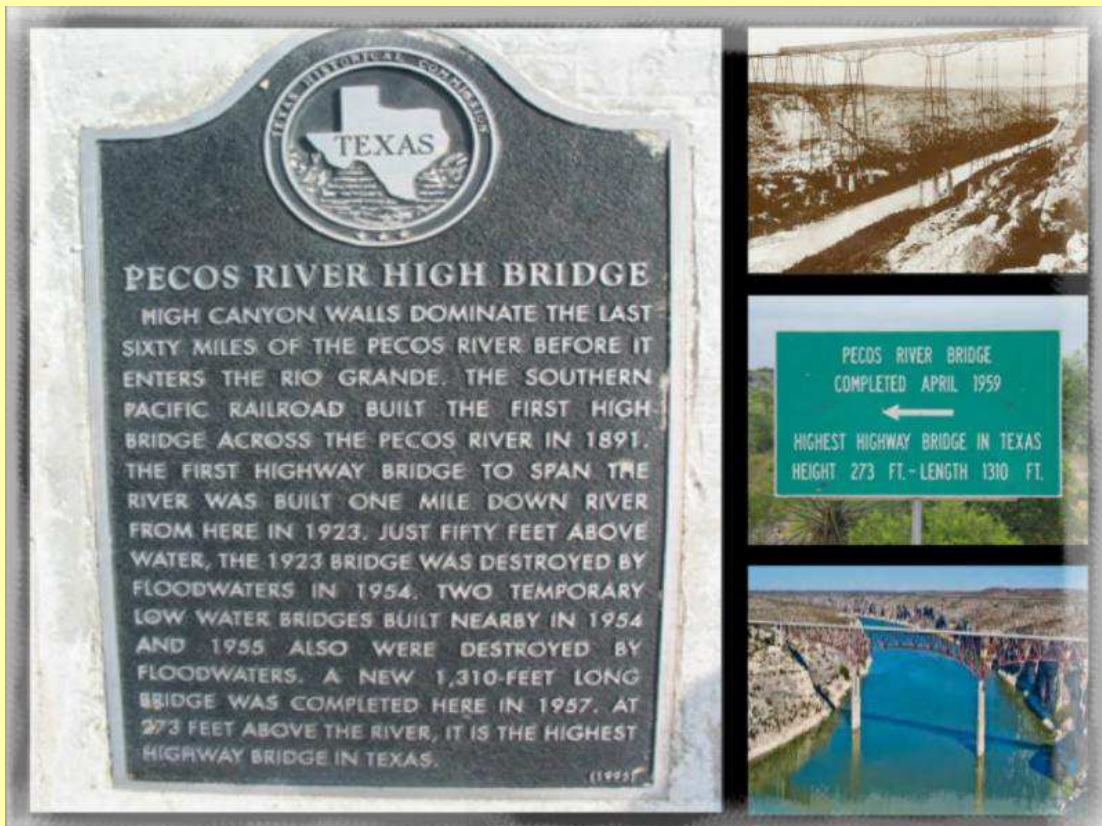

**Michael W. McGee, Sr.

PECOS RIVER HIGH BRIDGE

Below is the historical marker that is located at the scenic overlook.
Top right photo is original bridge and the bottom photo is the current bridge.

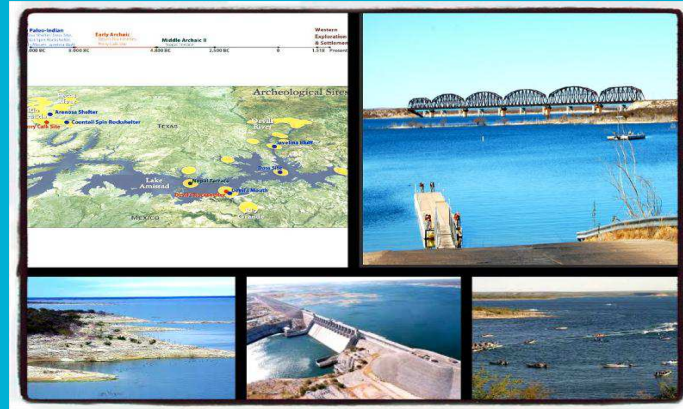

The first bridge was, at one time, the highest bridge in the U.S. and the third highest in the world! It is still the highest highway bridge in Texas!

This is definitely a picture spot!
