

ARE YOU READY TO GO HUNTING?

OUR HUNTING SEASON BEGINS
OCTOBER 4, 2014!

Dead Man's Pass Ranch is under the authority of a Level 3 Managed Lands Deer Permit. The MLDP allows us to have the state's most flexible seasons and bag limits. Hunting license is required, but use of your hunting license tag(s) are not required on deer harvested under the authority of this permit; therefore county and statewide bag limits do not apply to individual hunters.

HUNTER'S PRAYER

*Here I sit again, Oh Lord with the rifle in my hand.
Peering through the morning darkness
high in my deer stand. The silence broken
by the sound of the birds flying up the river.
The morning air is chilly and I start to shiver.
And Lord, you know I'm due a little luck and
I start to wonder, will this be the day that I come
face to face with that ole big buck?
As the sun rises and the light breaks through the trees,
I hear the sound of breaking limbs and something
walking through the leaves.
My heart begins to pound and as I raise my gun to fire,
I realize that it's too late For behind me a shot rings out
and the deer has met its fate.
All my dreams vanish as I watch the ten point fall.
Lord, I already had him mounted and hanging on my wall.
So Father, when my last hunt is over
and I leave these woods behind,
I would like to ask a favor if you would be so kind.
That when I enter through the pearly gates
And come into your glory land,
Instead of the mansion you promised,
Lord How about just and ole deer stand?*
